BEADS wall 35 downlight

Design by Anton de Groof, 2018

With the Beads collection Tonone introduces a series of lamps designed to fit in every environment. The modest look of the armature starts shining when it comes to functionality. With its 360 degrees dimmable Led range, the Beads is a solution for every situation. On top of that the Beads is available as a pendant, a ceiling-, wall-, floor- or table lamp. With the Beads Tonone illustrates a next step in innovating lighting concepts, but also sticks to the basic design signature of this brand.
