BEADS pendant

Design by Anton de Groof, 2018

The Tonone Beads collection is designed to fit in every environment. The modest look of the armature, shines when it comes to functionality. With its 360° dimmable led range, Beads is a solution for every situation. The lightweight Beads pendant lamp is made of black powder-coated aluminium and is equipped with a high-quality integrated LED light source. The Beads Pendant is dimmable through an external LED dimmer (not included). Beads is available as a pendant, ceiling-, wall-, floor- or table lamp.
