1. Keep the holder upright with the vertical slot facing down.
2. Hook the arms into the candle holders.
3. Secure the arms by firmly pressing in the supplied corks.
4. Insert the cork for each holder before moving to the next.

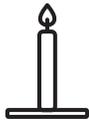

# CANDLE WITH CARE

Suitable for dinner candles and LED candles (max Ø2.2 cm)

Do not use chemical cleaners

Place on a flat, heat-resistant surface

Remove spots or marks with Scotch-Brite or Brasso

Never leave burning candles unattended. Keep them out of reach of children and pets

Avoid touching the brass with bare hands to prevent stains

Note: Brass changes over time. The material comes to life and develops a natural patina.

## TONONE
